Total interviews from Section II is 6.

### III. RECRUITMENT INITIATIVES

Hosting Hiring Fair January 25, 2018, from 11A-1P. On air announcements inviting the public to attend the Unit's hiring fair, tour the stations and speak with Department Managers about working in radio. During the hiring fair 12 applications were turned in. 8 of those who submitted applications were interviewed.

Arizona@Work-Southeastern Arizona Hiring Conference. March 28, 10A-2P at the University of Arizona, 1140 Colombo Avenue, Sierra Vista, AZ. The General Manager and Sales Manager attended to discuss available position at the radio stations and hand out applications to those who were interested. We traded air-time about the event for a table.

Cherry Creek Broadcasting, the corporate office in Denver, holds 4 webinars the first week of each month, hosted by various Department Heads or corporate management, giving all interested employees opportunities to learn and advance within the company
